Definitions and Extra Services

Basic Web Listing: This is included in your Chamber membership and refers to the basic directory information including your business or organization name, street or mailing address, telephone number, fax number (optional), email address (optional), and one web address (optional).

This information will be printed in the Poultney Community Guide and will be listed on the website under the Members tab.

Enhanced Web Listing: This includes everything in the Basic Web Listing as well as a brief description (up to 180 words) of your business or organization, as well as a logo or photo. The write up can be as simple as a short statement describing what you do, or full ad promoting what makes your business stand out from your competition! You also have the option to include a digital hand-out such as a menu or long running special.

This is also included in your membership if you provide the write-up and the image file yourself, but please note that changes to the enhanced listing information throughout the year will require an additional fee of **\$15.00**. Changes to the basic directory information are free.

If you would like us to provide the writeup or create a logo for your company or organization, we are happy to for an added fee:

- Write-up for the enhanced listing **\$30.00**
 - Logo design for Chamber listing and use elsewhere **\$30.00**
 - Bundle deal: write-up and logo design **\$50.00**
- * Value of the bundle deal is estimated to be over \$150.00*

Additional Web Links: Do you have a website *and* a Facebook page? How about LinkedIn, Instagram, or TikTok? Something else? Your first web link is free, but additional links can be published on the website for **\$20.00** each.

Advertising on the Chamber Site: We get traffic from local people as well as visitors who come to see what events are happening in Poultney. For **\$25.00** per month, you can have one of our rotating* ad spaces to draw some of our traffic to you! Ads will have basic information about your business or organization and will link to your website. These can be requested at any time by emailing poultneyvtchamber@gmail.com.

** Rotating ad space means that multiple ads will share the same space and will change each time the page is loaded, so if you do not see your ad try refreshing the page.*
